

motion connected

Motion Connected is Adjoin's wellness engagement platform designed to promote healthy habits and support overall employee well-being through physical activity.

By tracking daily steps and overall movement, participants can improve physical health, boost energy levels, and work toward long-term wellness goals.

At Adjoin, we care about the health and well-being of our employees and are excited to offer this program, which gives employees the opportunity to earn swag, gift cards, and other rewards by participating in quarterly activities and challenges.

Key Features & Benefits:

- **Daily Activity Tracking:** Monitor steps and overall movement to encourage consistent activity.
- **Monthly Challenges:** Participate in friendly competitions to stay motivated, receive a surprise wellness item as well as an extra entry towards the end of the year raffle.
- **Quarterly Wellness Scorecards:** Receive a comprehensive overview of progress, celebrate achievements, and complete additional challenges for a high value wellness item and raffle entry for a gift card.

Together, these features help employees stay active, engaged, and motivated while making meaningful improvements to their health and wellness.
