## 2026 ANNUAL SUMMARY

JULY 2025 - JUNE 2026

# Butterfly Club Flutters

## STEADY WINGS IN SHIFTING SKIES

The Butterfly Club continues on its steady wings since its inception in July 2002. The club has brought in over **\$323,000** in donations over the last **24** years. This support continues to exemplify the compassion and commitment of our amazing team members to the people Adjoin serves. Their generous donations help further enrich the lives of our clients beyond the service support that is provided daily.

Since 2002, the club has given over **\$191,000** directly to the people served who were in need through the club's Request For Proposals (RFP) program. The RFP funds have been used to purchase items clients would have had to go without such as safety equipment, communication devices, basic household items, housing funds as well as required vocational training and attire.

Additionally, the club has given over **\$29,000** to Adjoin's Catalyst Social Club, a free program that provides a path for Adjoin Catalysts clients to engage in real life scenarios such as: self-advocacy, skills training, education, activities and even fundraising to offset costs for trips and outings. This generosity has given clients opportunities to participate in many activities they otherwise would not have been able to afford.

The Butterfly Club has seen over **1300** members since it started, with an average donation of **\$217** a year per club member. Today the club has **86** active members with an average yearly donation of **\$112** per member.

With the tremendous support of our team members, the Butterfly Club continues to fly sky high on **24** years of kindness and generosity!

Takes Flight

# Request For Proposals

The Butterfly Club Request For Proposals (RFP) program was created in 2004 to provide additional means by which the Butterfly Club can directly benefit the clients of Adjoin by ensuring clients are empowered and their lives enhanced within the communities they live.

The RFP program provides funds to increase client independence in the community in which they live, and to assist in empowering them both personally as well as socially. Priority is given to requests that have a direct impact on clients' lives, fosters client independence, reflect a comprehensive approach to client empowerment and promote client participation and engagement.

Since the start of the RFP program, 59% of the club's expenses (\$191,000) has been awarded in varying amounts to hundreds of clients throughout California in a variety of areas of need such as health and safety, vocational (uniforms, work shoes, training, etc.), household (beds, refrigerators, furniture, etc.), housing assistance (security deposit, moving costs, etc.), food assistance, personal hygiene and other areas of need. This year, over \$17,100 was awarded. The Butterfly Club RFP program has been crucial in creating many pathways for our clients to succeed.

All Adjoin team members and clients are eligible to complete and submit for a Butterfly Club RFP. Forms are available in each office location as well as in the Adjoin Team section of the Adjoin website online. If you have questions, please contact [butterflyclub@adjoin.org](mailto:butterflyclub@adjoin.org).

## Client Recognitions

The Butterfly Club sponsors the Crushing It Award, Adjoin's client recognition program. Quarterly, the program recognizes one client nominated by a team member for reaching a goal or to acknowledge their achievements made in living, working, learning, or playing.

# 2026 Year In Review

During the last year (July 2025 - June 2026), the Butterfly Club members have donated over \$9,613 with an average monthly donation per member of \$9.31 per month.

There were a total of 86 members for the year with an average yearly donation of \$112, and an average monthly donation of \$9.31. We currently have 86 members across all offices.

## FY25 Butterfly Club Members By Office Location

Imperial Valley and Visalia have been neck-and-neck for years with Visalia coming in first with the most number of BFC members this year! Each of our member's contributions are valuable, and we thank each office and all our members for their active participation in the Butterfly Club!

# Wings of Financial Strength

For the Year of **July 2025 to June 2026**, the Butterfly Club collected over **\$9,615** in donations (prior to expenses).

A total of **\$8,507** was raised after expenses for the year. Expenses take into account the total incentive items, fundraising expenses and general marketing supplies for The Butterfly Club.

The total expenses for the club were **\$1108** for the year. Expenses were for various supplies such as postage, printing, awards, marketing supplies, etc. Thus, **12%** of the total amount collected was utilized for expenses.

After taking into account the monies granted out for the Requests For Proposals (**\$17,100**) during this year, we have a bottom line **loss of \$7,485**.

We budget to expend **\$20,000** a year and show a balance of over **\$99,800** in the club investment account as of **June 30, 2026**.

Overall, The Butterfly Club had another successful year and made many positive impacts on the lives of those served by Adjoin!
