

Get ready for the next step in your career!

Do you love helping others as a Direct Support Professional but want to grow in your career? Adjoin wants to help you do just that!

The work you do is so very important, and we want to help make it official! Adjoin is excited to offer access to NADSP's E Badge Academy to help you showcase your knowledge, skills, and abilities.

Earn your DSP I, II, or III certification by completing E Badges. These will apply towards certifying your competency in the critical skills required in your role. Adjoin will pay for your certification as well as a monetary incentive. So let's get started on your career path!

Earn \$500

Earn \$800

Earn \$1200

Eligibility:

Adjoin employees in the following roles are eligible: DSP, DSC, HM, CSS and ES. There is no minimum amount of time that you need to have worked with Adjoin, but participants must have their mandatory Relias trainings completed. Only a certain number of participants will be accepted on a first come basis.

How to Enroll:

Complete the short application found on the staff section of the Adjoin website and submit to your supervisor, or contact HR for details
